

**TOWNSHIP OF LONG HILL**

**Office of Emergency Management**

**Assistance and Financial Aid from the IDA Storm/Flooding Event:**

For anyone who has considerable damages from IDA, please see important links below:

1) NJ State website that allows you to report your damage: <https://damagenj-njoem.hub.arcgis.com/>

Reporting here assists the state/county in determining our eligibility for federal and state funding, as well as being the first step toward receiving state/federal assistance money. (note: this is not an application for assistance. Simply a report of the damages).

2) Register with FEMA to get Disaster Assistance: <https://www.disasterassistance.gov/>

Reporting here is the first step to get financial assistance from FEMA. Morris County is now approved to submit for assistance (as of this past weekend)

3) The disaster recovery center is now set-up by Morris County. You may want to consider visiting this center if you are/will be submitting a request to FEMA and/or are looking for additional assistance. Details: **Morris Plains Community Center, 51 Jim Fear Dr., Morris Plains, NJ and it is open 8:30 a.m. to 7 p.m., Monday through Thursday**

4) Shayne Daly, Long Hill Township's Community Services Program Manager, is available as a local resource to assist with any claims for individual assistance to FEMA. Her contact information: [communityservices@longhillnj.gov](mailto:communityservices@longhillnj.gov) and by phone at: 908-647-8000 x235.
